Sponsorship

- Jean Marie River First Nation (JMRFN) has chosen Łue Túé Sųláı as a place they would like to protect
- Łue Túé Sųláı holds historic permanent camps, traditional trails, burial sites, and stories
- JMRFN proposed to protect the area
- ITI has agreed to sponsor Łue Túé Sųláı
- Sponsorship does not guarantee a new protected area will be created
- A park must have the support of JMRFN, Dehcho First Nations, Government of the Northwest Territories, Government of Canada

Working Group's Role

- Looks at scientific, traditional and local studies
- Makes decisions on what a park should look like and how it should be managed
- No decision is made without the support of all Working Group members
- Industry Representatives invited to Working Group and have opportunity to provide input
