

NOTICE OF APPLICATION

The Tłı̨ch̨o Government has submitted a proposal for the advancement of Kwets'oot'ą̀ through the NWT Protected Areas Strategy as a candidate National Wildlife Area. The Canadian Wildlife Service has agreed to sponsor Kwets'oot'ą̀ and to work with the Tłı̨ch̨o Government and other stakeholders to evaluate the area for permanent protection under the *Canada Wildlife Act*.

Kwets'oot'ą̀ is an area of approximately 660 km² on the northern portion of Great Slave Lake's north arm. It includes the mainland shoreline, numerous islands, and the water of the lake.
